

Addressing COVID-19

Adelaide Showground Caravan Park is open to greet guests.

In order to ensure the health and safety of our staff and guests, we have implemented the following policies:

1. Guests are asked to consider if a member of their group is exhibiting relevant symptoms (cough, sore throat, shortness of breath, runny nose, fever or chills, loss of smell or altered sense of taste) prior to arrival and if so, they will be denied entry to the Showground.

Guests required to be in self-isolation may not enter Adelaide Showground.

Site fees will be refunded in full if notified no later than 48 hours prior to the commencement of your booking. Re-scheduling of your stay due to COVID 19 to a later date will be provided without penalty at any time.

2. Cleaning practices for Park facilities have been planned to address the added risk presented by the COVID-19 pandemic and will be strictly followed.
3. Guests may not gather in groups more than the limit of persons clearly marked in any building within the Caravan Park.
4. Guests should maintain no less than 1.5 metres social distancing from any contacts not in your travelling group.
5. Guests at the Adelaide Showground Caravan Park who develop relevant symptoms (cough, sore throat, shortness of breath, runny nose, fever or chills, loss of smell or altered sense of taste) during their stay must inform Management, self-isolate and seek COVID testing. We will assist guests who require to self-isolate at the Adelaide Showground Caravan Park.
6. Guests must abide by any Park rules specific to COVID -19, which will be clearly communicated at the Caravan Park and may change without notice. Guests will be provided with Park rules by email prior to your visit or, in the event of changes during your stay, immediately by email.

Please be respectful should our staff choose to speak to you in respect to these Rules.
